Or as Known as the 17th Day of the 4th Month Known as Jumada-1-Akhar in the Year 1350, at

MEDINAH TEMPLE

Cass Street, Wabash Avenue
and Ohio Street

Yours in the Faith,

RALPH H. WHEELER, *Potentate*

RALPH H. WHEELER
Potentate

NOBLES:

The vacation season is past and Autumn is upon us; this means activities in the Temple.

It is unnecessary for your Potentate to remind you that there is a great necessity for co-operation from the Nobility in order that we may maintain the high standard achieved by Medinah Temple in the past.

We are actively engaged in a very comprehensive program of events to aid the worthy distressed, and because of the very prominence of Medinah in civic affairs, it is most obvious that whatever we undertake we should carry through to a successful finish.

The unfavorable economic situation is bound to have its effect but this can be minimized if each and every member of the Temple will put his shoulder to the wheel and give his wholehearted support by attending the Ceremonials and other events, and by urging his friends who are eligible to petition for membership.

It should be borne in mind that Medinah Temple is an institution that stands forth conspicuously in the civic life of the community, and at this critical time your officers are endeavoring to demonstrate to the people that the Shrine stands for the good of humanity; in fact, is a leader in every way.

Yours in the Faith,

Ralph H. Wheeler.

Potentate.

THE RECORDER SAYS

The business session starts at 4:30 P. M. Therefore, please remember that petitions must be in the Recorder's Office by noon, Friday, October 30, 1931.

DUES

Your *1931 card* must be shown for admission to this, our first Ceremonial since last April. This is Imperial Council Law.

A Great Number of 1931 membership cards are still in my files. Have you forgotten to send your check for $12.00 to cover this? *Why Not Do It Now?*

I realize a large number are unable to pay and to those who only owe for one year I would inform them that no action will be taken in their case this year. To those who owe two years, some action will be taken by the Temple at this Session and to any of these who have not communicated with me in one manner or another I would urge you to do so.

Medinah does not desire to drop anyone from her rolls, but the Imperial Council Law compels action of some kind in cases where a Noble is two years in arrears.

CANDIDATES

Candidates must report to the Recorder's Office, 14 E. Ohio, to sign the Constitution and By-Laws on or before October 30, 1931—at 12 o'clock noon. The Recorder's Office will be open each day from 9 o'clock A.M. to 4 o'clock P.M.

REMEMBER

—Wear your fez
—Always sign your card—an imposter may find it and use it wrongfully
—Always sign your full name and give your address on all communications
—Send in your change of address
—The office of the Recorder is for your use and information, but give the other Noble a chance
—Send in the petition of your friend—do not wait—do it now.

COMING EVENTS

SATURDAY AFTERNOON, 2 P. M., NOVEMBER 7TH

Ladies' Charity Bridge Party

Doors Open 1:15 P. M.

Admission 50c Per Person

The ladies are urged to bring their lady friends. In addition to individual table prizes, there will be a splendid "Door" Prize, the drawing for which will be held in the auditorium after the games. (All in the Temple will participate in the door prize.) For those who don't play bridge, there will be vaudeville and pictures.

Medinah Temple has recognized the emergency existing because of the economic depression and has gone on record that funds received from our series of Fall and Winter Entertainments will be used for the benefit of the unemployed. It, therefore, becomes necessary for all of us to support these projects wholeheartedly and enthusiastically. It is most desirable that at each and every event the Temple be filled, and it is hoped that every Noble will enter into the spirit of the occasion and help. Bring your friends to the concerts and athletic stags and make sure that the Ladies attend the bridge parties and the vaudeville entertainments.

STOP! PLEASE STOP!!

The saving of Tin Foil for the benefit of the Comfort Fund of the Shriners' Hospitals for Crippled Children was a splendid idea

BUT

Now that the price of same has gone down to less than two cents a pound, there is practically nothing to be gained and, too, a very large percentage of that which is being saved is aluminum, which has no resale value.

So then, please stop the saving of the foil, as it has become a real hardship to handle it and the returns do not justify the cost of transportation and time devoted to its disposal.

Medinah desires to thank everyone who has participated in the effort, and particularly the chairman of the Tin Foil Committee, Noble Harry Gardiner, who has given so liberally of his time, warehouse space and knowledge of the Metal Market. It has been a splendid demonstration of the willingness of the Nobility and their friends to foster and nurture a good idea for a great cause.

To those desiring to join

MEDINAH'S PATROL

The Arab Patrol requires young men between the ages of 21 and 35, experienced in Infantry Drill Regulations. Applicants should understand that in joining the Patrol, it is necessary to give up every Tuesday or Friday evening for drill and be present with the Organization whenever necessary. If interested report to Medinah Temple on Tuesday evening, at 7 o'clock (stage door entrance) to Will R. Neff, Adjutant.

MEDINAH'S HOUSE PARTY TO CLEVELAND

Lasted from July 11th to July 18th, 1931

We paraded to the Navy Pier where the party, numbering more than 600, boarded the steamer Seeandbee, the largest passenger steamer afloat on the Great Lakes. Excellent housing facilities were provided aboard the Steamer and the trip, covering something like 2,000 miles, was in every sense of the word a real house party.

A series of parties, entertainment and stunts drew upon the time and attention of the guests aboard the ship, a veritable army of musicians, monologists, sleight-of-hand performers, comedians keeping the guests in a happy frame of mind. The boat was equipped with radio and a continuous program was carried to every part of the vessel. A ship broadcasting station made it possible to put on a daily so-called "Scandal Hour" that had tremendous entertainment features.

The uniformed organizations participated in five parades—one in Chicago on the morning of departure, a second at Mackinac Island, and three at Cleveland. Major Roundy had charge of the patrol, Captains Olauson, Crossey and Spruce and Lieutenant Harders being in command of the companies; Paul Donnelly headed the band forces, John Woollett serving in a like capacity for the Oriental Band; Arthur W. Jones, P. P., conducted the Chanters, and Walter J. Fisher was in command of the headquarters men.

Medinah's marching forces were accorded an ovation as they moved through the business district of Cleveland in the daylight parade, and on Wednesday evening when the Temple's uniformed men entered the Stadium and passed before officers of the Imperial Council, a tremendous demonstration was accorded Medinah.

Before the Steamer Seeandbee arrived in Cleveland, representatives of Al Koran Temple of Cleveland arrived by hydroplane, bearing the keys to the city and an official greeting to Potentate Wheeler and his caravan. Imperial Potentate Houston likewise met the Steamer Seeandbee a short time before the vessel was docked in Cleveland.

A feature of the Cleveland visitation was an invitation moonlight excursion on the Steamer Seeandbee, more than three hours being given over to the cruise, with hundreds of Imperial Council Representatives and their ladies and Nobles from Sister Temples aboard the vessel as guests of Medinah. A costume party or Mardi Gras held on the last night was another very delightful affair.

A stop was made at Mackinac Island the second day out from Chicago, and a parade followed. On the return trip several hours were

spent in Sault Ste. Marie, Michigan, many of the party going over to Sault Ste. Marie, Ont., via the ferry.

Cleveland was gaily decorated (Oriental Arabic Style) for the Shrine visitation. San Francisco was awarded the 1932 convention of the Imperial Council.

Following the election of Imperial Potentate Houston, Potentate Wheeler, The Divan, Medinah's Band, Patrol and Chanters provided a demonstration on the floor of the convention, with many of the Representatives joining in on the chorus of "Illinois."

Throughout the eight days of Medinah's pilgrimage, the Chicago party lived aboard the Steamer Seeandbee. It is of interest to note that each of the official parades passed by the dock opposite the vessel Seeandbee and the ship's whistle accorded the passing legions of Medinah a hearty salute both at the morning and evening parades.

The ship was met at Mackinac Island by Mayor Cable and by newsboys selling the "Airplane Edition" of the Chicago Daily News, and the boys sold out their supply of papers in a hurry.

The Sunday Band Concert at Mackinac by Medinah's Brass Band was a very beautiful event. With the old fort as a background and amid verdure supreme; and the cool, pure air, with a sunshiny day—such a setting called forth a rendition of sacred music that was gloriously received.

Those who stayed at home because of the possibility of a rough voyage had better made the trip. The sailing could have been likened to sitting in a chair on the sidewalks of State Street. There was not at any time a list of more than a half inch. A lead pencil balanced upon its end stayed put for nearly twenty minutes and then tumbled only when a nearby door slammed shut.

The resourcefulness of a Medinah Shriner for making up fancy costumes miles away from a store or attic was demonstrated, par excellence, on this trip. Did we have a House Party? We did (with emphasis).

The birth of another Medinah Organization, an auxiliary of our Brass Band, can be attributed to our voyage to Cleveland. The Medinah Philharmonic Orchestra, which made its first appearance at the Oriental Band Charity Concert on November 15th, 1931, in the Temple, was well worth the admission charge alone. The initial group of players first performed in the Grand Salon in the Ship and it was a splendid concert too.

The having of all of our Organization Members together made this trip outstanding in goodfellowship. When six hundred people start out to have a good time, they make a good time and this voyage will be long remembered for the diversification of enjoyable affairs.
